Many comment how friendly staff at Craig y Nos are. Our wedding planners will ensure everything you need on the day is catered for, from your initial enquiry to the day of the wedding.

“Wow! We stayed at the Castle for 2 nights for our daughter's wedding last week and it was incredible. We were greeted with smiles by all staff members all of the time, they couldn't do enough for us...”

## Location & History

### Book an appointment

The Brecon Beacons National Park is among the most beautiful regions of the UK. Our location enjoys scenery that just cannot be offered in a town venue.

Just 25 minutes drive from Swansea, 45 minutes from Cardiff and 3 hours from London, and you enter another world - one of peace and tranquility, of snowcapped mountains in the winter, and lush green valleys and sheep dotted mountains in the summer.

Your wedding will be linked to both royalty and music when you get married in Wales' only licenced grade-one listed theatre. Craig y Nos Castle was owned by a famous opera singer, Madam Adelina Patti.

She built herself a small private opera house to entertain royalty from all over Europe.
